**AQW 34472/11-15**

**Peter Weir MLA has asked:**

**To ask the Minister of the Environment, to list the listed buildings in North Down; and to detail the spend on each of these buildings in each of the last five years.**

**ANSWER**

Information on Northern Ireland's listed buildings is held on the Northern Ireland Buildings Database, on a Council and Ward basis.

A large amount of information has been produced to answer this question; therefore it has been placed in the Assembly Library. You should note that this information on 'spend' relates solely to grant-aid provided by the Northern Ireland Environment Agency. Any expenditure that may have been incurred by the private owners of properties or other agencies or bodies is not recorded by the Department and has not been included.
