Dear

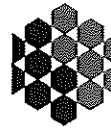

I refer to your written Assembly Question (AQW 36534/11-15) in which you sought a breakdown of the expenses paid to senior management in the Health Service in the last twelve months.

HSC Employers provided the information to inform the original response. However, one organisation has since advised that after further analysis of the costs, errors were identified. It has re-submitted its return.

I wish to advise you, therefore, of an amendment to the original answer. The revised response is attached at Appendix 1.

I trust this information is helpful, and I apologise for any inconvenience this may have caused. I have copied this letter to the Assembly Library Services for their information.
