2.AQW 53934/11-16
3.AQW 53991/11-16

Peter Weir has asked:

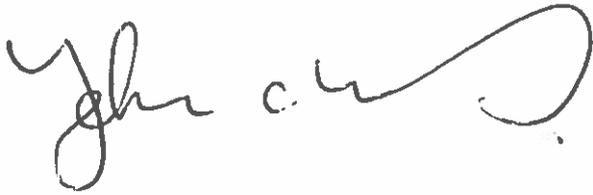

- 1.To ask the Minister of Education to detail the schools that currently provide a breakfast club service.
- 2.To ask the Minister of Education to detail the funding given to schools for breakfast clubs in each of the last three years.
- 3.To ask the Minister of Education to detail what support his Department provides to schools that run breakfast clubs

ANSWER

Information on breakfast clubs is not routinely collected from schools. The Department's Extended Schools (ES) programme provides additional funding for those schools serving the most disadvantaged areas to provide for a wide range of services and activities outside of the traditional school day and, where assessed as needed by schools, this may include breakfast clubs.

The Education Authority has confirmed funding used by schools, through their ES allocations, for breakfast club provision in each of the last three financial years.

I have arranged for these details to be placed in the Assembly Library.
