Daniel, a chara

I refer to your written Assembly Question (AQW 2366/11-15) in which you sought the (i) allocated budget; and (ii) the budget spent on adult learning disability services in the Western Health and Social Care Trust, in each of the last five years.

It wish to advise you that in the table provided in the response, the figures were given in (£) but should have been (£'000).

I apologise for any confusion this may have caused and a revised response is attached. I have also copied this letter to the Assembly Library.
