Dear Mr McCrossan MLA,

You asked in a recently an AQW 3092/16-21, which asked that I list the roads not yet adopted by my Department in West Tyrone, broken down by town.

I have since answered you Assembly Questions and I have placed now a copy of the information you have asked for in the Assembly Library.

CHRIS HAZZARD MLA
Minister for Infrastructure

AQW 3092/16-21

DATE FOR ANSWER: THURSDAY 29 SEPTEMBER 2016

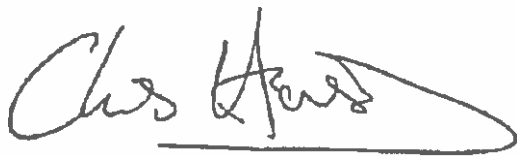

Mr Daniel McCrossan MLA (West Tyrone)

To ask the Minister for Infrastructure to list the roads not yet adopted by his Department in West Tyrone, broken down by town.

ANSWER

I attach a list of live developments and backlog sites for the West Tyrone Constituency. Please note that the development addresses provided are those used in the bond and agreement documentation and that these are based on the address submitted as part of the planning permission. In some cases these now differ from the development name adopted by the developer.

A copy of the information will be placed in the Assembly Library.

A handwritten signature in black ink, appearing to read "Chris Hazzard", with a long horizontal flourish extending to the right.

Signed:

CHRIS HAZZARD MLA
