Dear Jim

DEPOSITING OF ALL DOCUMENTATION IN RELATION TO CLUD APPLICATION

You had previously requested that all documentation for a proposed Certificate of Lawful Use or Development at Larne Port in connection with the Department's application to Mid and East Antrim Borough Council be laid in the Assembly Library.

I responded to you on 14 October to advise that my officials were assessing your request under EIR and would respond in due course.

Formal certification was received from Mid and East Antrim Borough Council on 5 November confirming that the proposed development constitutes Permitted Development by virtue of Part 14 Class B of the Planning (General Permitted Development) Order (Northern Ireland) 2015.

I have asked my officials, to make the necessary arrangements to have the documentation deposited in the Assembly Library, as requested. The documentation in relation to Foyle Port and Belfast Port will also be deposited in the Assembly Library.
