AQW 23929/17-22 – INFORMATION TO BE PLACED IN THE ASSEMBLY LIBRARY

In answer to AQW 23929/17-22, a list of unadopted roads for which bonds exist has been compiled, arranged by Council areas and a list of unadopted roads in Private Streets developments has been compiled, also arranged by Council area, where the legal process to draw down the bond has commenced to enable the road to be completed; both lists have been placed in the Assembly library.

NICHOLA MALLON MLA
Minister for Infrastructure

AQW 23929 /17-22

DATE FOR ANSWER: MONDAY 25 OCTOBER 2021

Roy Beggs MLA (East Antrim)

To ask the Minister for Infrastructure to detail (i) all unadopted roads for which a Road or Water Bond exists; (ii) which of those unadopted roads have been subject to complaint in relation to the failure of the road to be completed; and (iii) for which unadopted roads her Department has commenced the legal process to draw down the bond to enable the road to be completed, broken down by constituency.

ANSWER

My Department does not maintain information on unadopted roads in private streets developments by constituency area, but rather by council areas with which the Department's boundaries are coterminous.

- (i) A list of unadopted roads for which bonds exist has been compiled, arranged by Council areas. This has been placed in the Assembly library for ease of reference.
- (ii) My Department's records systems do not facilitate retrieval of complaints in relation to the failure of completion of roads; as such we are unable to meet this aspect of your request.
- (iii) A list of unadopted roads in Private Streets developments has been compiled, also arranged by Council area, where the legal process to draw down the bond has commenced to enable the road to be completed; this list has also been placed in the Assembly library.
