

Water and Sewerage Services Bill

Bill Office amendment

- Page 2, clause 3, line 28, insert “Northern Ireland District Councils”.

Hansard Extract - 14 October 2015

“The first amendment that the Committee asked for was to clause 3. It was the insertion of another statutory consultee, namely the Northern Ireland district councils. If you follow clause 3, page 2, line 28, and you go down to the end of subsection (d), you will see that you would just insert another subsection that would say "Northern Ireland district councils" and add them to that list.”
