Dear Colum

Public Accounts Committee Evidence Session

The Public Accounts Committee (PAC) wishes to thank you and Paul for attending to give evidence to our inquiry into Homelessness in Northern Ireland on 13 November 2025.

Following the session, Members would be grateful if you and your team could provide an explanation of how receipts from house sales are handled and why NIHE cannot retain them.

I have also attached a copy of the letter sent to Grainia as you may want to liaise with her regarding a response to this.

Please respond by email using the address above by **Friday, 12 December 2025**.

Yours sincerely

Daniel McCrossan

**Chairperson
Public Accounts Committee**
