Dear Peter

During your evidence session on 6 March you undertook to provide further information and documentation in respect of a number of queries which we issued on 13 March.

In addition to the information previously requested, at its meeting of 13 March, Members also agreed to request a copy of the Best Practice Guidance which was mentioned during your briefing as being prepared for distribution.

Whilst we appreciate that this document may not yet be completed we would like an indication of when it might be available and a copy of the document when it becomes available.

Please respond by email using the address above by Friday, 28 March 2025.

Yours sincerely,

Daniel McCrossan
Chairperson
Public Accounts Committee
