

Subject: SeN improvement

You don't often get email from speciallyconnected@gmail.com. Learn why this is important <<https://aka.ms/LearnAboutSenderIdentification>>

Good morning

I am responding to the call for businesses who work with children and young people with Special Educational Needs to get in touch with you. I founded a company called Specially Connected and we are a community interest company working with families and community settings to provide family support, events and training. I am also a working and experienced SEN teacher so can contribute from various perspectives.

Please get in touch if you would like to share the format for further feedback Kind regards [REDACTED]
