

I am opposed to zones around abortion clinics as women and couples deserve to know all information about abortion.

Secondly, freedom of speech will be denied.

Thirdly, the police already have anti-harrasment laws they can use when necessary.

Pro-life people offer genuine help to pregnant women. Those who have accepted this help and gave birth are very thankful.

Abortion is the most serious issue in N.I. as it involves discussion around The Right to Life, the basic right.
