Dear Sir/Madam

Re: Sentencing Bill

I would like to get Jade's Law included in the Sentencing Bill.

To hear that any murderer, father or not, should have a say in how their child is brought up disgusts me as a mother. Murderers should lose that right after killing the mother - how are they to say what is in the best interests of a child? They killed the most precious person and main source of love in that child's life.

Please let no other family suffer such injustice.

Kind regards
