Subject: Oral Evidence Request

You don't often get email from [REDACTED]. [Learn why this is important](#)

Dear Justice Committee Members,

We are writing as sisters of Lisa Dorrian and Charlotte Murray to respectfully request the opportunity to provide oral evidence to the Committee in relation to the Criminal Justice (Sentencing etc.) Bill, specifically the provisions concerning Charlotte's Law.

As families who have lived through the devastating impact of unresolved cases, withheld information, and the long pursuit of truth and justice, we believe our experiences can provide valuable insight into the importance and practical implications of this legislation for victims' families.

We welcome the consideration being given to Charlotte's Law and would appreciate the opportunity to contribute directly to the Committee's scrutiny of the Bill, particularly regarding the experiences of families affected by no body murders and the withholding of information relating to victims.

We would be grateful if the Committee would consider facilitating an oral evidence session at an appropriate stage of the process.

Thank you for your consideration and for the Committee's ongoing work on this important matter.

Yours sincerely,

Joanne Dorrian and Sinead Corrigan

On behalf of the families of Lisa Dorrian and Charlotte Murray
