Dear Grainia,

Memorandum of Reply on Homelessness in Northern Ireland

At its meeting on 21 May 2026, the Committee considered the Department's response, dated 14 May 2026, which provided further clarification regarding Recommendations 2 and 10 in the Memorandum of Reply to the Committee's report on 'Homelessness in Northern Ireland'.

I am writing to advise that Members agreed to give further consideration to the response at the meeting on 11 June 2026, when you will attend to provide a briefing on Recommendation 8 of the Memorandum of Reply.

As previously advised, the Committee will receive a further update on all ten Recommendations within six months.

Yours sincerely

Daniel McCrossan
Chairperson
Public Accounts Committee
