

# Northern Ireland Assembly

## Committee remits

The diagram below outlines the Brexit matters which fall within the remit of statutory committees, as well as matters reserved to the UK Government. Responsibility for scrutiny of relevant Common Frameworks, Assimilated (Retained EU) Law, and Inter-ministerial Groups falls to all relevant committees.

\*indicates a policy area reserved to the UK Government.

† The Department of Health also has a statutory obligation to ensure compliance regarding veterinary medicines control.
