Dear Patrick,

[COM 2023/217 Proposal for a Regulation on detergents and surfactants amending Regulation \(EU\) 2019/1020 and repealing Regulation \(EC\) No 648/2004](#)

At its meeting on 1 May 2025, the Windsor Framework Democratic Scrutiny Committee (DSC) agreed to seek views from stakeholders on the above proposed EU act.

The DSC is gathering views to put it in a more informed position should the published act be notified to it by Cabinet Office. [Read more about the Committee process here.](#)

Specifically, the DSC is seeking your views on whether applying/not applying the act would have a significant negative impact specific to everyday life of communities in Northern Ireland in a way that is liable to persist.

Should you wish to provide views, you can do so via Citizen Space at the following link: <https://consult.nia-yourassembly.org.uk/windsor-framework-democratic-scrutiny-committee/com-2023-217>

I would be grateful if you would share this letter and consultation with your counterparts in the Health and Safety Executive (GB).

Please note that the survey will close on **29 May 2025**.

Yours sincerely,

██████████
