Subject: RE: DSC Provisionally agreed text - COM/2025/386

[redacted]

Reference: we have considered the provisionally agreed text for COM(2025)386 and are content that their original assessment of impact remains valid and unchanged.

I can confirm we are content that the initial assessment of impact is unchanged and remains valid in relation to the provisionally agreed text. This has been approved by Defra policy colleagues and others in Cabinet Office. This has been shared with DfE and DAERA colleagues.

Subject: TEO DSC Provisionally agreed text - COM/2025/386

Good morning

Proposal for a REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL on the European Chemicals Agency and amending Regulations (EC) No 1907/2006, (EU) No 528/2012, (EU) No 649/2012 and (EU) 2019/1021

The text of the provisional agreement between the Council of the EU and the European Parliament on the above proposed EU act has been published and a copy of the provisionally agreed text is available here.

The Committee requests a revised assessment of impact from the relevant department(s) on the provisionally agreed text **or** confirmation from the relevant department(s) that its initial assessment of impact is unchanged and remains valid in relation to the provisionally agreed text.

I would be grateful for a response by **9 October 2026**.

Kind regards,

[redacted]
