Publish response

**What is your organisation (if any)? – Organisation**

Ulster Farmers' Union

**Does it appear likely that the EU act would have a significant negative impact specific to everyday life of communities in Northern Ireland in a way that is liable to persist? - Significant Impact**

Unsure

**Does it appear likely that the EU act would have a significant negative impact specific to everyday life of communities in Northern Ireland in a way that is liable to persist? - Please expand on your answer**

The Ulster Farmers' Union (UFU) would need more time to consider this EU act in order to circulate it within our committee structure and seek views, as we were only notified by the DSC on January 10th.

**Does it appear likely that NOT APPLYING the EU act would have a significant negative impact specific to everyday life of communities in Northern Ireland in a way that is liable to persist? - not applying eu act**

Unsure

**Does it appear likely that NOT APPLYING the EU act would have a significant negative impact specific to everyday life of communities in Northern Ireland in a way that is liable to persist? - Tell us why**

The Ulster Farmers' Union (UFU) would need more time to consider this EU act in order to circulate it within our committee structure and seek views, as we were only notified by the DSC on January 10th.

**Are there any other matters regarding the EU act that you wish to draw to the Committee's attention? Please note, any information provided should be of an evidential nature rather than a commentary. - Any other matters**

No

**Are there any other matters regarding the EU act that you wish to draw to the Committee's attention? Please note, any information provided should be of an evidential nature rather than a commentary. - Tell us why**

The Ulster Farmers' Union (UFU) would need more time to consider this EU act in order to circulate it within our committee structure and seek views, as we were only notified by the DSC on January 10th.

It would be beneficial for stakeholders to have more time to consider EU acts before responding.
