Subject: Re: Committee for Communities - Meeting 14 December

Re: Committee for Communities request for information on gambling, from Advice NI debt team:

Breakdown of gambling types [e.g. bookies/on-line]:

At this time a breakdown of the types of gambling debts reported cannot be extracted from the case recording system.

Industry Levy:

Suggestion for the industry levy being a % of profits, on a tiered approach based on income levels:

Tax returns are always submitted between Oct-Jan for the previous year so tax year 20-21 will be due by 31st Jan 22. Gambling Companies/Operators could verify income via submitted tax return, with a fee issued and payable by April 22.

Many thanks,
