

Dear Chair

I wish to advise that I fully support all 14 points raised in the proposed Bill.

Law-abiding folk in Northern Ireland expect a degree of honest in polics which has sadly been missing for too long within the political scene. For years we have seen dishonesty, mismanagement and in some cases, suggestions of criminality in the political sphere. This must end.

Incompetence and impropriety has become the norm by Ministers, Departments, SpAds and Civil Servants.

I fully endorse Mr. Allisters proposed Bill.
