Salaries should be decided by impartial board that has no incentive to approve pay rises. In any other sector pay rises are based on performance, and sadly if politicians were to be awarded according to how well they have done their jobs unfortunately they would not have earned a pay rise. Our country is in financial shambles, healthcare, education and infrastructure are a mess. Normal working families who work hard and pay taxes are no better off than the migrant newly landed in our hotels or people on benefits. Hardly seems fair that it's our money that contributes towards the running of the country and yet we feel hugely let down in how it is being spent and managed by our government. Until politicians can sort out the mess they have created a pay rise is not deserved!

It is appropriate for the determination of adequate resources required by Members for the exercise of their functions to be determined by the Assembly Commission rather than by an independent panel/board.

Absolute lack of faith in our politicians at this tone deaf proposal considering how mismanaged our government has been.
