No way should mlas get any pay rise never mind 20% .they have done nothing since running back to their cosy offices. Still no social housing being built to help in the housing shortage. Apart from certain areas in north and west Belfast but they are only 1 side of community in Northern Ireland. The hospitals haven't received any thing financial this year. Also if pensioners are expected to live on so little. Do without their heating allowance bit hypocritical for

mlas to believe they actually do deserve it.
