Northern Ireland Youth Assembly - Administrative and Financial Provisions Bill

Dear Matthew,

Thank you for your letter dated 22 July requesting the Youth Assembly's views on the Administrative and Financial Provisions Bill. Throughout its mandate, the Youth Assembly has engaged actively with various Assembly Committees, and this continues to be an important priority for our Members.

Unfortunately, as the current mandate is coming to a close and preparations for recruiting a new cohort are set to begin in September, the Youth Assembly is unable to provide a response on the Bill at this time.

We appreciate the opportunity to contribute and hope to collaborate again in the future.

Kind regards,

Lucy McClelland

Manager, Northern Ireland Youth Assembly
