Dear Peter

CHANCELLOR'S SPRING STATEMENT – TREASURY UPDATE

1. I am writing to provide an update on the Chancellor's Spring Statement.
2. This follows my note of 26 March 2025, which stated that the Executive would receive an additional £12.5 million Resource DEL and £1.6 million for Capital DEL in Barnett consequentials from the Spring Statement.
3. These numbers remain correct and reflect the information provided to DoF by the Treasury on the day of the Fiscal event.
4. Treasury has subsequently confirmed that the control totals included in the Spring Statement document include £145.969 million representing the Barnett consequentials that will be provided to the Executive's in respect of funding provided to Whitehall departments for employers National Insurance increases. The Spring Statement document, however, does not include the additional Barnett

consequential of £14 million that Treasury has advised will result from the measures announced by the Chancellor.

5. Treasury has advised that both amounts will be reflected in the Executive's DEL outcome following the Westminster Main Estimates, which are usually agreed in May/June.

I trust you find this helpful.

Yours sincerely

DEPARTMENTAL ASSEMBLY LIAISON OFFICER
