

SL1 – To Departmental Committee Clerk

Dear Michael

The Drumnagoon Road, Portadown (Abandonment) Order (Northern Ireland) 2026

The Department for Infrastructure proposes to make a Statutory Rule under powers conferred by Article 68 of the Roads (Northern Ireland) Order 1993. The Statutory Rule is subject to negative resolution procedure before the Assembly.

Article 68 of the 1993 Order enables the Department, by Order, to provide for the abandonment of any road. On the coming into operation of an Order for abandonment the Department is no longer responsible for maintenance of the road and any public right of way over the road shall be extinguished. The 1993 Order further provides that the Department should not make an Abandonment Order unless (a) it is of the opinion that the road is not necessary for road traffic or that another road is available which provides, or is capable, if improved, of providing alternative facilities for road traffic; or (b) the Order provides for the carrying out by the Department or any other person of such works as the Department considers necessary for the provision of alternative facilities for road traffic before the road is abandoned.

Purpose of the Statutory Rule

The Rule will abandon an area of 87 square metres of road to the front of No. 48 Drumnagoon Road, Portadown commencing at a point 13.8 metres south-east of the junction of the realigned road with the former Drumnagoon Road and continuing for 17.1 metres in a north-easterly direction.

The proposal has been requested by Sheely Consulting to facilitate the outworking of a planning application for the construction of 48 dwellings and associated road realignment.
