

SL1 – To Departmental Committee Clerk

Dear Michael,

The Meenan Square, Derry/Londonderry (Footways) (Abandonment) Order (Northern Ireland) 2026

The Department for Infrastructure proposes to make a Statutory Rule under powers conferred by Article 68 of the Roads (Northern Ireland) Order 1993. The Statutory Rule is subject to negative resolution procedure before the Assembly.

Article 68 of the 1993 Order enables the Department, by Order, to provide for the abandonment of any road. On the coming into operation of an Order for abandonment the road shall cease to be maintainable by the Department and any public right of way over the road shall be extinguished. The 1993 Order further provides that the Department should not make an Abandonment Order unless (a) it is of the opinion that the road is not necessary for road traffic or that another road is available which provides, or is capable, if improved, of providing alternative facilities for road traffic; or (b) the Order provides for the carrying out by the Department, or any other person, of such works as the Department considers necessary for the provision of alternative facilities for road traffic before the road is abandoned.

Purpose of the Statutory Rule

The Rule will abandon three areas of footway totalling 382.54 square metres at Meenan Square, Derry/Londonderry.

The proposal has been requested by the Department for Infrastructure (DfI) to facilitate a request by APEX Housing Association and the Executive Office (TEO). TRAM Western colleagues are of the opinion that the areas of road should be abandoned upon completion of work by the developer to provide alternative facilities. The bed and soil of the area to be abandoned is owned by DfI and, following the abandonment, ownership of and responsibility for the land will transfer to APEX Housing Association which is re-developing Meenan Square, Derry/Londonderry to provide housing and retail units.
