

SL1 – To Departmental Committee Clerk

Dear Michael,

The Upper Dunmurry Lane, Belfast (Abandonment) Order (Northern Ireland) 2026

The Department for Infrastructure proposes to make a Statutory Rule under powers conferred by Article 68 of the Roads (Northern Ireland) Order 1993. The Statutory Rule is subject to the negative resolution procedure and is required to be laid before the Assembly.

Article 68 of the 1993 Order enables the Department, by Order, to provide for the abandonment of any road. On the coming into operation of an Order for abandonment the road shall cease to be maintainable by the Department and any public right of way over the road shall be extinguished. The 1993 Order further provides that the Department should not make an Abandonment Order unless (a) it is of the opinion that the road is not necessary for road traffic or that another road is available which provides, or is capable, if improved, of providing alternative facilities for road traffic; or (b) the Order provides for the carrying out by the Department, or any other person, of such works as the Department considers necessary for the provision of alternative facilities for road traffic before the road is abandoned.

Purpose of the Statutory Rule

The Rule will abandon an area of 193.4 square metres of road leading to Nos. 141-147 Upper Dunmurry Lane, Belfast commencing at a point 85 metres south-west of its junction with Cloona Park extending for a distance of 25 metres in a north-easterly direction.

The abandonment has been requested by Apple Orchard Construction to facilitate redevelopment in the area.

The bed and soil of the area to be abandoned is owned by the Department for Infrastructure and following the abandonment the land will be disposed of and incorporated within a new development
