Clause 1: Removal of flags or emblems in the public interest

6 Do you agree with Clause 1 of the Bill?

Yes

7 Please provide information to support your answer here

Accessible:

Flags and emblems when displayed in culturally and religiously mixed areas are intimidating and needlessly aggressive. I have no problem with individuals choosing to fly a flag on their own property. The problem is streets and other public places where the majority of people have had no say in whether they think it is appropriate. They are relics of a bygone area.
