### Clause 1: Removal of flags or emblems in the public interest

6 Do you agree with Clause 1 of the Bill?

Yes

7 Please provide information to support your answer here

Just remove them all, eyesore and makes areas look terrible. I pay too much in rates to accommodate a bunch of low life people that care about this kind of stuff. Perhaps they should spend as much effort trying to benefit the city or themselves

### Clause 2: Sensitive places

Yes

See previous answer, remove them all, what is this? Clash of the clans? Oooooo

### Clause 3: Procedure for / notification of, or giving views on, flags or emblems

10 Do you agree with Clause 3 of the Bill?

Yes

See prior answer, although if we listen to me, we wouldn't need the online portal which will no doubt cost a significant amount because the public sector doesn't know how to negotiate.

### Clause 4: Code of Practice

12 Do you agree with Clause 4 of the Bill?

Yea, makes sense, but again, refer to my previous answers.

### Clause 5: Offence of obstructing the Department in removal of flag or emblem

14 Do you agree with Clause 5 of the Bill?

No

I think we should create a new prison specifically for people that do this. They should be placed in cells that are painted to the colour specification of the opposite side of the community. I have one allowance, where the flag is a pirate flag, they should walk the plank

### Clause 6: Request for assistance from police

16 Do you agree with Clause 6 of the Bill?

Yes

17 Please provide information to support your answer here

Accessible:

Should we think about the scenario whereby the flag is a PSNI flag? Would this be a conflict of interest. We could perhaps set up our own flag disorder community group.

### Clause 7: Interpretation
