Clause 1 - Tree preservation orders: councils

6 Do you agree with Clause 1 of the Bill?

No

7 Please provide information to support your answer here:

Accessible:

I think the council need to take more responsibility for the trees they have planted everywhere and don't bother to maintain ...my property suffers from green zap of trees that where planted and not maintained by the council, also feel they are to big to be as close as they are to my property, so I should be allowed to maintain these trees as the council don't bother ...so I'm totally against this for this reason
