Dear [REDACTED]

Establishment of the Education Authority – Progress Update

At its meeting on Wednesday 21 January 2015, the Committee considered correspondence from the Department providing a progress update on the establishment of the Education Authority.

The Committee agreed to write to the Department seeking an oral briefing on the establishment of the Education Authority including further information in respect of:

- Day 1 arrangements for the transfer of responsibilities to the Education Authority;
- the numbers of staff expected to transfer to the Education Authority and the associated projected costs and timings;
- the anticipated structure of the Education Authority; and
- the key aspects of the Education Authority's Change Management strategy.
