Dear Robin

Thank you for your letter outlining your Committee's ongoing inquiry into Post Special Educational Need Provision in Education, Employment and Training for those with Learning Disabilities in NI. I very much commend the committee for its focus and efforts on this important issue.

As the scope of the Inquiry falls outside the remit of my Department, I would have no comment to make at this stage, however I wish the Committee well with the Inquiry and look forward to your Report in due course.

Yours sincerely

MARK H DURKAN MLA
Minister of the Environment
