Dear *ROBIN*

Thank you for your letter of 23 January regarding the Committee inquiry into post Educational Need provision in education, employment and training for those with learning disabilities in Northern Ireland.

I do not consider the subject of this Inquiry to be directly related to my Department's remit but rather for the Minister for Employment and Learning to consider and present any issues arising from it to the Executive as appropriate. That said, I wish the Committee well with its Inquiry into this important area.

Yours sincerely

SIMON HAMILTON MLA
