Subject: Human Trafficking and Exploitation (Further Provisions and Support for Victims) Bill

Christine

I refer to your letter dated 3 October 2013 seeking views/comments on the above Bill.

This matter was submitted to Council for consideration at a recent meeting of the Chief Executive's Office, when Members agreed to recommend that Council support the broad principles of the Bill, while recognising that further discussions were required on specific issues.

This recommendation will be submitted to Council for adoption at its meeting on 4 November 2013. Should there be any change to this position, I will let you know.

Regards, Anne.
