Dear Tim

**Proposed Legislative Consent Motion: Biometric Retention for Foreign Convictions**

At its meeting on 22 September 2016, the Committee for Justice considered the proposed Legislative Consent Motion relating to biometric retention for foreign convictions.

While some Members indicated that they were opposed to the proposed LCM the Committee agreed that it was content with the proposal to extend the biometric retention provisions in relation to foreign convictions in the Policing and Crime Bill to Northern Ireland by way of a Legislative Consent Motion.

Yours sincerely

**Christine Darrah**  
**Clerk to the Committee for Justice**
