*Chair, Committee for Health*

**Clause 5, Page 3, Line 30**

After second ‘the’ insert ‘Department or the’

*Chair, Committee for Health*

**Clause 2, Page 2, Line 11**

At end insert -

‘(4DA) The autism strategy must set out how the Department is to make provision for the facilitation of team sports for children and young people with autism by—

- (a) providing funding and expertise to sports bodies to specifically facilitate participation in team sports for children and young people with autism,
- (b) facilitating continuous engagement between sports bodies and the Department to ensure the adequate expertise and resourcing of projects and initiatives focused on connecting children and young people with autism to team sports.’

*Mr Justin McNulty*

**Clause 5, Page 4, Line 19**

At end insert -

(h) to keep under annual review the adequacy and effectiveness of the funding arrangements and access to expertise for sporting organisations to facilitate participation in team sports for children and young people with autism.'

*Mr Justin McNulty*
