Dear

DAITHI

CORRECTION TO AQW 27675/11-15

I replied on 23rd December 2013 to AQW 27675/11-15 in which you asked which Civil Service offices offer shower facilities for people that cycle to work; and whether there are plans to install shower facilities across all offices.

DFP has subsequently identified an error in the response submitted.

The original response issued to the AQ stated that there are a total of 123 buildings in the NICS and Agency estate that have showers available for cyclists.

The information used to provide the original response was based on returns provided by the individual Departments and Agencies. However, further examination of the collated data identified double entries for seven buildings namely: - Hydebank; Clarence Court; County Hall Ballymena; County Hall Coleraine; Bedford House; Orchard House; and Armagh Section Office and Roads Service Depot. These seven buildings are multi-occupancy buildings and the double count has been attributed to separate returns provided by each of the occupying Departments.

The double entries have been removed which has resulted in a revised total of 116 buildings with shower facilities available for cyclists in the NICS and Agency estate.

I apologise for any inconvenience this may have caused.

I have copied this letter to the Speaker and all MLAs. A copy has also been placed in the Library.

SIMON HAMILTON MLA
