Dear Pat,

During Assembly Question Time on 29 June 2015 I undertook to provide you with details as to when the Ministerial Sub-Group will be looking at regional imbalances.

I have been advised by the First Minister and deputy First Minister that economic disparity has been a key priority for the Executive's Regional Opportunities Ministerial Sub-Group since its inception and that economic opportunities and access to employment in the North West region were examined at its first meeting and will feature as ongoing themes at future meetings of the Group.

I will arrange for a copy of this letter to be sent to the Speaker's Office and a copy will be placed in the Assembly Library.

Yours sincerely

Jonathan F. Bell
