AQW 18683/17-22 – INFORMATION TO BE PLACED IN THE ASSEMBLY LIBRARY

In answer to AQW 18683/17-22, the information attached has been placed in the Assembly Library.

NICHOLA MALLON MLA
Minister for Infrastructure

AQW 18683 /17-22

DATE FOR ANSWER: WEDNESDAY 26 MAY 2021

Michelle McIlveen MLA (Strangford)

To ask the Minister for Infrastructure to list the roads in the Strangford constituency that have had a Road Bond for (i) one year; (ii) two years; (iii) three years; and (iv) more than three years, specifying the number of years for those more than three years.

ANSWER

My Department does not maintain information by constituency area and unfortunately the information you have requested is not readily available or accessible from my Department's Private Streets Database.

However officials have produced a list from my Department's Private Streets Database which includes all current undischarged road bonds for the Ards & North Down and Newry Mourne & Down council areas. This list is placed in the Assembly library and the roads in the Strangford constituency with a road bond can be identified from it. Providing the additional information requested would require officials to identify and then analyse each road bond separately in order to categorise each one in the format requested and unfortunately this labour intensive exercise could not be justified.

Signed:

NICHOLA MALLON MLA
Minister for Infrastructure
