Annex A

The request asks for the number of housing applicants 'with a disability in need of accessible housing'.

The Housing Executive has advised that this information is not specifically recorded on an application, however, the tables below detail information on those applicants who are Wheelchair Users, applicants who have Complex Needs and those applicants who are deemed to Require Ground Floor (GF) accommodation.

The tables below detail waiting list and allocations figures for end of June 2022 and for the previous 4 years. Figures are broken down by Parliamentary Constituency, Housing Stress, Wheelchair User, Complex Needs and those who Require Ground Floor (GF) accommodation.

Allocation information refers to the number of allocations in the preceding 12 month period.

Please note that where there are less than 10 applicants or allocations, they have been listed as <10 in compliance with Data Protection requirements.

Household Composition is recorded on the Housing Executive's systems at the point of application and may not reflect the current composition of the household.
