Gary, a chara,

FOLLOW UP ACTION FROM ORAL STATEMENT ON 12 FEBRUARY 2024

During my Oral Statement to the Assembly on 12 February 2024, you enquired about expenditure on vehicle damage compensation in 2023.

In response, I advised that I did not have the figures available but that I would provide them to you and deposit them with the Assembly Library.

I can now confirm that the management information my Department holds in relation to roads related public liability claims can be found online at:-

<https://www.infrastructure-ni.gov.uk/publications/road-asset-maintenance-directorate-management-information-roads-related-claims-period-20182019>

Table 7.1 in the above link provides details of the compensation paid during the last five full financial years for vehicle damage.

I would, however, advise the member and other members using the above link to be cognisant of the caveats noted in respect to the information provided on roads related public liability claims.

Is mise le meas,

JOHN O'DOWD MLA
Minister for Infrastructure
