1. *Please note that where there are less than 10 applicants, applicants in housing stress, they have been listed as <10 in compliance with Data Protection requirements. Applicant Information (all applicants / applicants in housing stress) is as at end December 2023.*
2. *Allocation information refers to the number of allocations in the preceding 12-month period. The reporting unit for applications is the Common Landlord Area (CLA) and in some places these CLAs traverse parliamentary boundaries so, for reporting purposes, a hybrid parliamentary category has been created. The table below lists the*
