Sinéad McLaughlin MLA Northern Ireland Assembly Parliament Buildings Ballymiscaw, Stormont Belfast BT4 3XX

Dear Sinéad

#### AQW 12725/22-27

You recently submitted an Assembly Written Question AQW 12725/22-27, requesting the detail of the organisations that have received financial support from the Arts Council in each of the last ten years, broken down by (i) the amount of funding awarded to each organisation; and (ii) the local council area the organisations are based.

This is an operational matter for the Arts Council of Northern Ireland and the Chief Executive provided the information at **Annex A**. As I advised in my response this would be placed in the Assembly Library due to the volume of information required to provide an answer.

For any future queries relating to operational matters, you may wish to contact the Arts Council directly. Making direct contact with the Arts Council will ensure that you receive the information in the shortest possible timeframe and make best use of public resources.

Yours sincerely

Gordon Lyons MLA

**Minister for Communities**
