Michelle McIlveen MLA has asked:

To ask the Minister of Education to detail (i) the controlled primary schools that currently do not have a full complement of governors; and (ii) the number of spaces available, including the category of governor.

To ask the Minister of Education to detail (i) the integrated primary schools that currently do not have a full complement of governors; and (ii) the number of spaces available, including the category of governor.

To ask the Minister of Education to detail (i) the Catholic maintained primary schools that currently do not have a full complement of governors; and (ii) the number of spaces available, including the category of governor.

To ask the Minister of Education to detail (i) the Irish-medium primary schools that currently do not have a full complement of governors; and (ii) the number of spaces available, including the category of governor.

To ask the Minister of Education to detail (i) the controlled secondary schools that currently do not have a full complement of governors; and

(ii) the number of spaces available, including the category of governor.

To ask the Minister of Education to detail (i) the Catholic maintained secondary schools that currently do not have a full complement of governors; and (ii) the number of spaces available, including the category of governor.

ANSWER

My Department does not hold all the requested information in full. Where possible, information has been provided by the Department and the Education Authority (EA) to provide answers to the questions in full, or in part.

The reconstitution of all Controlled and Maintained school Board of Governors (BoG) for the 2024-2028 term of office is ongoing. As a consequence, the number of positions filled changes on a daily basis. It is not possible to answer accurately the part of each question that asks whether BOGs have a full complement.

To provide a more accurate and consistent approach to the information provided, EA has provided its input based on its 'closing out' position for the end of the 2018-24 term of office.

Where applicable, the information provided by the Department is based on the number of its (DE) governor vacancies recorded at the date prescribed. Those governors that have reached their end of term and are awaiting reappointment or replacement through the reconstitution of all controlled and maintained schools, have not been included within the data provided by the Department.

Controlled Schools

For the questions relating to controlled primary and secondary schools, this means all governor vacancies recorded on 30 September 2024 (as at the end of the 2018-24 term of office). The response details vacancies listed by school and governor designation and this information has been provided by the EA. The Department does not appoint governors to these schools.

There are 142 controlled primary schools and 33 controlled secondary schools which do not have a full complement of governors. The number of spaces available, including the category of governor has been deposited in the Assembly Library on 29 October 2024.

Catholic Maintained and Irish Medium schools

The Department nor the Education Authority hold the number of Catholic Maintained Primary and Secondary schools, or Irish Medium Primary schools that currently do not have a full complement of governors.

To provide a partial answer to these questions, EA has provided its governor vacancies recorded on 31 August 2024 (as at the end of the 2018-24 term of office); the Department has provided its governor vacancies recorded on the same date; the Department do not appoint to all Irish Medium Primary schools. The number of spaces available in respect of DE and EA governor positions, including the category of governor has been deposited in the Assembly Library on 29 October 2024.

Integrated Schools

The Department nor the Education Authority hold the number of Integrated Primary Schools that currently do not have a full complement of governors.

To provide a partial answer to this question, EA have provided information on all governor vacancies recorded on 30 September 2024 (as at the end of the 2018-24 term of office) for Controlled Integrated Primary schools.

The Department has provided information on its vacancies with Grant Maintained Integrated (GMI) Primary schools recorded on the same date. It is understood that EA do not appoint governors to GMI schools.

There are 19 controlled integrated primary schools which do not have a full complement of governors.

The number of spaces available in respect of controlled integrated primary schools and DE governor positions within GMI Primary schools, has been deposited in the Assembly Library on 29 October 2024.
