Supporting Notes

- Applicant Information (all applicants and applicants in housing stress) is as at end March 2020-2024 and end June 2024.
- FDA refers to Full Duty Applicants – these are applicants accepted as being homeless, to whom the Housing Executive owes a duty under the Homelessness legislation, Article 10(2) of the Housing (NI) Order, 1988 to “secure that accommodation becomes available for his/her occupation”.

- *Social housing waiting list and allocations data held by the Housing Executive, form part of the Northern Ireland Housing Bulletin, which is published quarterly as a National Statistic by the Department for Communities. Therefore, in order to avoid breaches of the code of practice for statistics, the most recent data provided is based on the most recently published data (end June 2024).*
- *The reporting unit for applications is the Common Landlord Area (CLA) and in some places these CLAs traverse parliamentary boundaries so, for reporting purposes, a hybrid parliamentary category has been created. The table below lists the CLAs and the corresponding parliamentary category to provide context.*

<i>Common Landlord Area (CLA) and corresponding Parliamentary Constituency</i>
