- *Please note that where there are less than 10 figures, they have been listed as <10 in compliance with Data Protection requirements.*
- *Applicant Information (all applicants, applicants in housing stress and FDA) is as at end of the respective month and year.*
- *FDA refers to Full Duty Applicants – these are applicants accepted as being homeless, to whom the Housing Executive owes a duty under the Homelessness legislation, Article 10(2) of the Housing (NI) Order, 1988 to “secure that accommodation becomes available for his/her occupation”.*
- *Social housing waiting list and allocations data held by the Housing Executive, form part of the Northern Ireland Housing Bulletin, which is published quarterly as a National Statistic by the Department for Communities. Therefore, in order to avoid breaches of the code of practice for statistics, the most recent data provided is based on the most recently published data (end Sept 2024).*

The reporting unit for applications is the Common Landlord Area (CLA) and in some places these CLAs traverse parliamentary boundaries so, for reporting purposes, a hybrid parliamentary category has been created. The

table below lists the relevant CLAs and corresponding parliamentary category to provide context.

<i>Common Landlord Area (CLA) and corresponding Parliamentary Constituency</i>	
<i>CLA</i>	<i>Parliamentary Constituency</i>
<i>Ainsworth</i>	<i>Belfast West/North</i>
<i>Twaddell/Upper Woodvale</i>	<i>Belfast West/North</i>
<i>Carrick Hill / Unity Flats</i>	<i>Belfast West/North”</i>

For any future queries relating to operational matters, you may wish to contact the Housing Executive directly. Making direct contact with them will ensure that you receive the information in the shortest possible timeframe and make best use of public resources.
