AQW 21809/22-27

Sinéad McLaughlin has asked:  
To ask the Minister of Education to detail the schools currently engaged in Minor Works in excess of £500,000, broken down by constituency.

## ANSWER

I have deposited a table in the Assembly Library which details the schools currently engaged in Minor Works in excess of £500,000, broken down by constituency. The table details projects at various stages from business case approval through to those on site and those where final account has yet to be agreed.
