AQW 28331/22-27

Sinead McLaughlin MLA has asked:

To ask the Minister of Education to detail (i) the total funding provided to all schools for maintenance and repairs in the last 15 years, broken down by (a) constituency; (b) school; and (c) school type, up to 2024-25; and (ii) an overall total for each school across the entire period.

ANSWER

The Education Authority (EA) has statutory responsibility for undertaking repairs and maintenance work in maintained and controlled schools. My Department allocates resource funding to EA each financial year.

In line with record retention policies, details of the final outturn for schools' repairs and maintenance expenditure is only available for each of the last seven financial years for maintained and controlled schools and is set out in tables, broken down by constituency, school and school type, which I have deposited in the Assembly Library.

Please note that the 2024/25 maintenance figure is provisional outturn expenditure and may be subject to change. The EA have included expenditure for both

Landlord maintenance (non-delegated earmarked funding) and Tenant maintenance (delegated from Common Funding Formula (CFF) funding). The figures exclude EA centre expenditure which includes expenditure for maintenance officers, depots, Education Other Than At School (EOTAS), central meals kitchens and corporate buildings which cannot be broken down to individual school or constituency. Voluntary Grammar and Grant Maintained Integrated Schools are responsible for their own maintenance works.

A handwritten signature in dark ink, appearing to read 'Paul Givan', with a stylized flourish at the end.

Minister of Education
