Dear Kellie

AQW 27036/22-27 – REVISED INFORMATION TO BE PLACED IN THE ASSEMBLY LIBRARY

As you are aware, due to the volume of detail required to answer AQW 27036/22-27, the updated information attached at Annex A has been placed in the Assembly Library. This information replaces that provided on 29th August 2025, which omitted a second series of tables.

Yours sincerely,

**Gordon Lyons MLA
Minister for Communities**

ANNEX A

This issue is an operational matter for the Housing Executive, and I have sought the requested information from the Chief Executive, who has advised me that:

“Please see the first set of tables below, which provide data on applicant households, those in housing stress (HS - 30 points or more), FDA and allocations to applicants, for the end March and end September quarters for 2015-2024 inclusive, broken down by Local Government District.

The second set of tables below provide an age breakdown for the individuals within applicant households and for heads of household.

Please note the caveats and explanatory text included below each set of tables.

Table Dataset 1: Applicant households, those in housing stress, FDA and allocations to applicants, for the end March and end September quarters for 2015-2024 inclusive, broken down by LGD.
